

## Bi-Lo Donates Food to God's Marketplace Food Pantry

Missy Moncrief, customer service manager of the Washington Bi-Lo food store (left), presents Buddy Lindsey of God's Marketplace Food Pantry with baskets of canned goods, baked goods, and other groceries from the Bi-Lo food drive supporting God's Marketplace. GMI Food Pantry is extremely appreciative of the baskets of food donated by patrons of Bi-Lo during the current food drive. Patrons are able to donate food through Bi-Lo to God's Marketplace for local distribution to needy families. Currently the GMI Food Pantry is serving about 180 families per month who qualify for assistance. Each family receives a box of food with over thirty pounds of food which includes food donated through Bi-Lo, Tink's Grass Fed Beef, Pizza Hut, and many local churches and individuals.
